## Arrow Fastener 'Races to Build' In Support of Bergen County Habitat for Humanity

Saddle Brook,— Employees at Arrow Fastener Company are giving back to the community they live and work in by supporting the 3rd Annual 5k Race to Build hosted by Habitat Bergen on Saturday, April 11th, at Overpeck County Park.

Registration will begin at 8am and the race will begin at 9am. Following the 5K race, Blue Sky Amusements will be hosting a family carnival, proceeds of which will benefit Habitat Bergen. Participants can sign up at <https://www.habitatbergen.org/civcrm/event/info?reset=1&id=21>.

"This is not only a fun event, but also a rewarding experience," said Arrow Fastener President Gary DuBoff. "Our employees enjoy knowing that someone is going to benefit from their participation. The success of events like this one depends on community participation and sponsorship. Arrow is honored to be an event sponsor and to have more than 25 employees taking part."

Habitat for Humanity believes everyone has the right to live in a safe, decent home. In partnership with families and volunteers, Habitat builds new houses and renovates old houses, then sells them at no profit with a no-interest mortgage to low income families.

Frank Foster, Arrow Marketing Director said, "Habitat is all about transformations. Families' lives are transformed by home ownership, and volunteers are transformed by the rewards received from their involvement. Neighborhoods right here in Bergen County are transformed when Habitat Bergen houses are built."
